

*The horse that scored
resounding wins over
Elvstroem and Starcraft
at Group One level...*

Valixir (IRE)

Valixir (IRE)

*In an illustrious
19 race career, VALIXIR
contested Europe's
major Group One races.
An outstanding miler,
he was a multiple
GROUP ONE winner
with prizemoney
earnings of
over \$1.350 million.*

Widely acknowledged as being one of Europe's premier milers, VALIXIR competed at the elite level throughout his entire racing career. Of his 19 race starts, 17 were in stakes events, 10 at Group One level.

VALIXIR won the Prix d'Ispahan-G1 at Longchamp (*defeating Elvstroem by 2 lengths*) and the Ascot Queen Anne S-G1 (*defeating Starcraft by 2 lengths*). He was Group One placed in the Prix Lupin, Prix du Jockey Club and the Prix Jacques le Marois.

In addition to his Group One victories, VALIXIR won the Prix Niel-G2, the Prix Eugene Adam-G2, the Prix Messidor-G3 and the Prix Matchem-LR. He was Group Three placed in the Prix des Chenes-G3 (*as a 2YO*) and the Earl of Sefton Stakes.

A precocious 2YO, as you would expect being a grandson of champion unbeaten English 2YO and leading sire Sharpen Up, VALIXIR won at his first and second 2YO starts both over 1200 metres and was Group placed at Longchamp at that age. *In essence, a horse with great natural speed he trained on as a 3YO and 4YO where he excelled at 1600 metres and was able to sustain his brilliance up to 2400 metres.*

2007 will be VALIXIR's first season at stud. Being a grandson of Sharpen Up, breeders should be conscious of the great opportunities he provides. The Danzig/Sharpen Up cross has produced the UK's 2006 1st Season sire sensation Invincible Spirit. Sharpen Up's great affinity with the Danehill sireline has already been emphatically demonstrated as you will see by referring to *Sire Nick Reports* at www.bloodhound.net.au

Valixir (IRE)

The best son of Sharpen Up's Arc de Triomphe winner TREMPOLINO from a stakeswinning daughter of the multiple champion French sire LINAMIX...this is the outcross sire that Australia has been waiting for!

VALIXIR's grand-sire, Sharpen Up, was an unbeaten 2YO and subsequently became one of England's leading sires and sire-of-sires. In addition to VALIXIR's sire Trempolino, Sharpen Up's 85 stakeswinners include his champion performers Kris, Diesis, Selkirk (*all leading sires*), Pebbles, Sharpo, Sanglamore, Smarten Up and Sovereign Rose.

VALIXIR's sire, Trempolino, was France's Champion 3YO Colt. He won the Prix de l'Arc de Triomphe in course record time. Trempolino has emerged as a most successful sire and to date has already sired 82 stakes performers, including 6 Group One winners, amongst his 330 individual winners. *VALIXIR is Trempolino's first sire representative in Australia.*

VALIXIR's stakeswinning dam Vadlamixa is by the Champion French Miler Linamix (*Poule d'Essai de Poulains (French 2000 Guineas)-G1 and 4 Group One placings*), a leading European sire and the Champion French Sire for 4 successive years and a rapidly emerging broodmare sire. Vadlamixa is a half-sister to Breeders' Cup Mile-G1 winner and successful young sire Val Royal.

VALIXIR's female line is peppered with black type performers. His first 3 dams, all stakes performers, have produced 32 foals between them for 27 individual winners including 8 stakeswinners. This is about as successful a female line as you can get!
